O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 6, 1991 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of The Union Light, Heat and Power Company ("ULH&P") for the 6 months ended October 31, 1991.

As part of this review, the Commission ordered ULH&P to submit certain information and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. ULH&P has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that ULH&P has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges and credits billed by ULH&P through its FAC for the period May 1, 1991 to October 31, 1991 be and they hereby are approved.
